

Ratified by Resolution of
Board of Directors of JSC OGK-5
(dated September 23rd, 2005, protocol #14)

**Regulation on information policy
of Joint-stock company
“The Fifth Power Generation Company”**

Moscow
2005

1. GENERAL PROVISIONS

1.1. The present Regulation on information policy (hereinafter – the Regulation) of the Joint-stock company “The fifth power generation company” (hereinafter – “the Company” or JSC OGK-5) is elaborated in compliance with the requirements of the legislation of the Russian Federation, Code of corporate conduct of the Federal Commission for the Securities Market (FCSM), the Articles of Association and internal documents of the Company and international practice of corporate management.

1.2. The present Regulation is the internal document of the Company determining the rules and approaches to the information disclosure, a list of documents and information that should be disclosed to shareholders as well as potential investors and professional participants of the securities market (hereinafter – stakeholders) as well as identifying the order and time lines of its provision.

1.3. The information policy of the Company aims at meeting as much as possible information needs of shareholders and other stakeholders interested in accurate information on the Company, its activity and providing a free access to the information.

1.4. In line with the current legislation the Company provides the protection of information that is of state, inside or commercial nature.

1.5. The executive bodies of the Company bear responsibility for completeness and accuracy of disclosed information on the Company.

2. MAIN PRINCIPLES OF INFORMATION DISCLOSURE

The Company follows herewith the principles of disclosing corporate information to stakeholders:

- Guarantee of completeness and accuracy of disclosed information;
- Operative disclosure of information on all substantial facts in its sphere of activity;
- Provision of high level confidential treatment of information that refers in line with internal documents to state, inside or commercial confidentiality;
- Publicity and lack of discrimination for information disclosure.

3. ORDER OF INFORMATION DISCLOSURE

3.1. By the information disclosure it means that the information is available to all stakeholders regardless of the goals of obtaining this information in line with the procedure guaranteeing its discovery and receipt. The information is considered disclosed if disclosure actions were made towards this information.

3.2. Disclosure of information on the Company and its activity is carried out by spreading information in the following way:

3.2.1. Information publication in electronic mass media.

The Company publishes press-releases, news and other information in electronic mass media if necessary.

The news on substantial facts (events, actions) referring to the financial and economic activities of the Company and information that could substantially impact the price of the Company’s securities as well as other information that should be disclosed by the Company in accordance with the legislation of the Russian Federation is published in the information resource on-line updated and provided by the information agency and/or another organization having the status of mass media (hereinafter – news line) within the time frame not later than 1 day since the occurrence of the corresponding event unless other time frames are determined by the legislation of the Russian Federation.

If the trade organizer of the securities market allows the securities of the Company to be traded, the Company notifies the trade organizer of the securities market about the intention to disclose such information in the order coordinated with the trade organizer of the securities market before the information is published in the news line.

When in accordance with the legislation of the Russian Federation the information should be disclosed by publishing in the news line, the disclosure of such information in a different way is not acceptable before the Company publishes the information in the news line. The information is not of general access and its disclosure results in responsibility in accordance with the legislation of the Russian Federation.

3.2.2. Information publication in the Internet.

The Company publishes press-releases, news, articles, interviews, advertisement materials and other information on the official web-site of the Company in the Internet at the address: www.ogk-5.com if necessary.

The news on substantial facts (events, actions) referring to the financial and economic activities of the Company and information that could substantially impact the price of the Company's securities as well as other information that should be disclosed by the Company in accordance with the legislation of the Russian Federation is published in the Internet within the time frame not later than 3 days since the occurrence of the corresponding event unless other time frames are determined by the legislation of the Russian Federation.

The Company provides a free access to information that should be disclosed by the Company in accordance with the legislation of the Russian Federation, the Articles of Association and internal documents of the Company in the Internet.

3.2.3. Information publication in the printed mass media.

The Company publishes press-releases, news, articles, interviews, advertisement materials and other information in the periodical printed mass media distributed in the territory of the Russian Federation as well as abroad if necessary.

The news on substantial facts (events, actions) referring to the financial and economic activities of the Company and information that could substantially impact the price of the Company's securities as well as other information that should be disclosed by the Company in accordance with the legislation of the Russian Federation is published in the daily newspaper "Kommersantъ" within the time frame not later than 5 days since the date when the Company is obliged to publish the corresponding information. The stated information is also published in the "News of the Federal Service on Financial Markets" within the time frame not later than 30 days since the date when the Company is obliged to publish the corresponding information.

3.2.4. Information publication in brochures and booklets.

The Company publishes information on the Company and its activity, advertisement materials and other information in brochures and booklets if necessary.

3.2.5. Press-conferences and meetings with shareholders and other stakeholders.

If necessary the Company holds press-conferences, dedicated to important events that occur or will occur in the Company, regularly holds the meetings with shareholders (representatives of shareholders), investors and investment analysts, representatives of the state authorities, including the case of receiving the corresponding request in writing from the above stated stakeholders.

Once the written request on holding a meeting with the Company's management is received from the shareholder, the Company is obliged to arrange within the reasonable time frame such a meeting or send a motivated refusal or a reply on the issue subject proposed by the shareholder to be discussed, signed by the Director General or its authorized person.

The Company aims as much as possible to participate in the Russian and foreign conferences and symposiums.

4. FORMATS OF INFORMATION DISCLOSURE

4.1. The Company publishes (provides) information on its activity in compliance with the present Regulation and requirements of the legislation of the Russian Federation.

4.2. The Company provides to the owners of the Company's securities and other stakeholders copies of documents whose disclosure is stipulated by the current legislation and present Regulation within 5 days since the date Company receives the corresponding request.
